DEDICATION

This book is dedicated to Mr. Robert Lucas for all the time and years of hard work that he has devoted toward making the Licking County Joint Vocational School what it is today.

His presence and cheerful face will be missed by all; but he, as well as his accomplishments, will long be remembered.

We would like to honor him with our respect and our "thanks" for all the outstanding service he has given to Licking County and the Joint Vocational School.

If you think you are beaten, you are;
If you think you dare not, you don't;
If you'd like to win, but you think you can't,
It's almost a cinch that you won't.

If you think you'll lose, you've lost;
For out of the world we find
Success begins with a fellow's will,
It's all in the state of mind.

If you think you're outclassed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.

Life's battle doesn't always go
To the swifter or faster man,
But sooner or later the man who wins
Is the man who thinks he can.

ou are a mirror wherein I see
yself--as I am, and as I should be.
talk and you listen--that's all you do,
nd yet I see in the eyes of you
he pattern of life fall into place--
he truth reflected in your face.

Of all the old and new delights...That make this life worthwhile...I think that none give greater joy...Than just a friendly smile... A smile that seems to say hello...And how are you today...And sort of picks your troubles up...And pushes them away...It is a greeting fit for kings...Yet always it is free...And it belongs to every class...Of social company...A friendly smile relieves the strain.. Wherever strangers meet...And as it praises victory...It comforts in defeat...It is the kind of handshake that...Will penetrate a glove...And now and then it lights the flame...That kindles into love.James Metcalfe

"FOREVER"

What of the hours between yesterday and tomorrow?
We enter them empty; they are ours to fill.
We view them with uncertainty, knowing,
That though ours, whatever they contain
Will affect lives other than our own.

We should walk softly and cautiously,
Never forgetting this new responsibility;
Always remembering, that whatever happens,
The memory of today's events will be with us. . .
FOREVER

Surrounded by a wall

And pass through life-

Nor making all the friends
we should.

With new advisors, a new yearbook company, and many new ideas, this year's yearbook staff surged into high gear to put together the best yearbook ever.

Due to lack of members we were sometimes pushed by deadline dates, but with the hard work of all the members and the advisors we managed to meet all our commitments and at the same time design a unique and outstanding book.

We hope everyone enjoys this year's Legend as we have tried to capture the events and feelings common at the JVS. We feel that we have accomplished this, and we hope that you do too.

We would like to wish the Class of 1980 the best of luck in the future and hope that the Class of 1981 has another exciting and memorable year at the LCJVS.
